Rattle-Battle 2012

Battle for the Southeast High School Rugby Championship

With the lack of a High School National Championship the Raleigh Rugby Club and its U19 Rattlesnake Rugby Team offer a challenge to the top high school and club U19 teams in the Mid-Atlantic and Southeast.

A (2) day (16) team tournament will be held at the World Class Rugby Facility in Raleigh, NC on May 19th and 20th, 2012. This facility boasts (2) Full size Bermuda grass fields that are properly lined with 65' tall permanent rugby goal posts. This is ONLY a rugby facility so the pitches are rugby regulation and marked accordingly.

Raleigh is conveniently located 45 minutes west of I-95 in the heart of North Carolina. It is approximately an 8 hour drive from Pennsylvania and Florida and 4-5 hours from the Washington, DC and Atlanta, GA areas.

The area has some of the top Universities with excellent rugby programs and many will be in attendance for recruiting purposes.

The Raleigh Rugby Club has the facilities and the experience to host a memorable rugby event. If you are interested in receiving more information on this tournament please contact us and provide us with your team's information.
